

AMENDED IN ASSEMBLY JULY 14, 2009

AMENDED IN SENATE MAY 5, 2009

SENATE BILL

No. 772

Introduced by Senator Leno

February 27, 2009

An act to add Section 19161.4 to the Business and Professions Code, relating to home furnishings.

LEGISLATIVE COUNSEL'S DIGEST

SB 772, as amended, Leno. Home furnishings: *fire retardancy*: juvenile products.

Existing law, the Home Furnishings and Thermal Insulation Act, which establishes the Bureau of Home Furnishings and Thermal Insulation, requires that all seating furniture sold or offered for sale for use in this state be fire retardant, as defined, and requires that all bedding products, other than mattresses and mattress sets, that the bureau determines to contribute to mattress bedding fires to comply with specified regulations adopted by the bureau. *Existing law makes a violation of these provisions a crime.*

This bill would exempt ~~juvenile products, as defined,~~ *strollers, infant carriers, bassinets, and nursing pillows* from those requirements, and would *require products that do not meet those requirements to be labeled in a specified manner. The bill would authorize the bureau to modify that this exemption if it determines that any juvenile of the exempted products pose a serious fire hazard. Because a violation of the labeling requirement would be a crime, the bill would impose a state-mandated local program.*

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state.

Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
 State-mandated local program: ~~no~~yes.
